

RULES & GUIDELINES FOR PET OWNERS OF VENTURE OUT

All pets, **dogs and cats**, remaining in Venture Out **longer than the day of entry** must be registered at the **Activity Office** upon arrival in the resort. **There is an annual registration fee for each pet. Each pet will receive a numbered tag which must be worn on the collar or harness at all times. A Current Certificate of Rabies Vaccination is required for dogs, as per Arizona law, before you will receive your pet tag.**

**FEES for tags are: Up to 1 month.....\$ 5.00
Over 1 month.....\$10.00**

The registration fee and process covers two important areas, ensuring protection of our pets from rabies and aiding identification of lost or stolen pets. **There may be a fine if your pet is not registered within one week of your arrival in the resort.**

Day visitors' pets (unless registered as above) **must remain on the premises they are visiting.**

Registered pets are not allowed on the common areas of the resort other than the **Pet Walk and surface streets**. Registered pets may be walked **on a leash** around the resort, but **may not be permitted in recreation areas including the Community Center or grounds around it, Oasis building or surrounding grounds, swimming pool areas, hobby shops, putting green, driving cages, shuffleboard, tennis, bocce ball, paddle tennis, horseshoe or lawn bowling areas, the flagpole area and the Administration building and adjacent ground.**

REMEMBER to be sensitive to our neighbors' feelings and property where our pets are concerned. If your pet defecates, it is your responsibility to clean up after your pet immediately.

THE PET WALK AREA HAS A FEW RULES OF ITS OWN:

1. Enter the walk **only on the south side** near the Broadway gate.
2. **Leashes are required** except in the enclosed area. Your pet must be under control at all times.
3. **Clean up after your pet.** Scoops and bags are available with garbage cans at intervals along the path. **Feces are not to be buried anywhere in the resort.**
4. Keep your pet in view at all times so you can clean up when necessary.
5. **Keep the gates closed in the enclosed part of the Pet Walk.**
6. Be quiet when using the pet walk **especially before 8:00 a.m. and after 9:00 p.m.** Open and close the gate carefully and quietly, avoid loud conversations, watch your pet so you do not have to call it.
7. **Pets which exhibit aggressive behavior or continually bark or howl will not be allowed to remain in Venture Out.**
8. **INFRACTIONS OF THE RULES MAY RESULT IN A TICKET AND/OR FINE.**

PLEASE REGISTER YOUR PETS AT THE ACTIVITY OFFICE TODAY.
